PERSATUAN KANSER NETWORK SELANGOR DAN WILAYAH PERSEKUTUAN

Website : <http://kanwork.org>

Cancer is the most challenging chronic disease one has to come to terms with and the appropriate knowledge to fight through. But you do not have to go through it alone.

## What is **KanWork**?

**KanWork** is a cancer support group with a mission to:

- Provide support for patient and family.
- Create awareness for early diagnosis of cancer.
- Provide knowledge and professional assistance.
- Encourage healthy lifestyle to reduce cancer risks.

**KanWork** is a non-profit registered association with tax exemption

## Our People:

We are a group of cancer survivors, their family members and carers; plus volunteers with different expertise, being professionals, academics, doctors and others.

## Give us your strength as a **KanWork** Volunteer!

By giving just a few hours of your time as our volunteer, you can be the lifeline of the association. We need your expertise and your contribution in kinds to empower us to undertake our programs and be our support link in this continuing fight against cancer.

## CANCER RESOURCE CENTER

A center with collections of educational materials & publications, set up at the Putrajaya Hospital. Our members provides peers support to cancer patients referred to by the specialist.

## **KanWork** Activities:

**Support Group:** We provide support through home and hospital visits to those diagnosed with cancer. Our cancer survivors will share and be an inspiration to anyone who believes that cancer is incurable.

## Community Awareness & Education:

Health professionals and others will outreach into the community through programs with hospitals, health clinics, offices and other NGOs to promote the appropriate knowledge on cancers.

## Recreational & Social Activities:

- Qigong at Tasik Cempaka, Bangi, conducted by a Qigong master.
- Participation in activities for healthy living
- Social function on specific events.

Kanser adalah penyakit yang sangat serius yang perlu ditangani dalam satu perjuangan, memerlukan ilmu pengetahuan yang tepat. Anda tidak perlu menghadapinya sendirian.

## Apakah **KanWork**?
